The physicians say this afternoon that she has excellent chances for a full recovery. Mrs. Pitts is now in the St. Francis Hospital.

A son, Horace ("Jack") Pitts, is hardly able to control himself, as a result of the unfortunate affair, as he accidently shot his mother about 10 o'clock yesterday morning while he was oiling a .45 caliber revolver.

As soon as the full extent of what has taken place was realized, medical aid was obtained from Burlington Junction and later Mrs. Pitts was brought to the St. Francis Hospital in an ambulance.

Diseases traced to constipation are many —get permanent relief with Kellogg's Bran

Why does constipation breed other diseases? Because it floods your system with dangerous poisons. And the longer you suffer, the more poisons accumulate. That is why constipation should be relieved at once.

Doctors recommend Kellogg's Bran, cooked and krumbled. They know it brings results because it is ALL bran. And only ALL bran can be 100 per cent effective in relieving constipation.

ALL bran — Kellogg's — sweeps, cleans and purifies the intestine. It acts as nature acts. It makes the intestine function naturally and regularly. If eaten regularly, it will bring permanent relief in the most chronic cases of constipation—is guaranteed to do so or your grocer returns your money.

Eat at least two tablespoonfuls daily—in chronic cases, with every meal. You will like the wonderful Kellogg flavor—so crisp and nut-like—so different from ordinary brans, which are most unpalatable.

Eat Kellogg's Bran, cooked and krumbled, with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. And by all means try it in the recipes given on every package.

Kellogg's Bran, cooked and krumbled, made in Battle Creek, is served in individual packages by the leading hotels and restaurants. Sold by all grocers.

Kozy Klosure Weather

Cold weather, that brings dread to the Ford driver who depends on curtains for protection, has no horrors for Ford owners who have a Kozy Klosure.

The Kozy Klosure fits snugly to the top and body of your Ford, it gives easy entrance to all seats, it never leaks breezes no matter how cold the weather is. It is the ideal winter enclosure for Fords.

We repair curtains and tops, put new celluloid in curtains, make curtains to open with doors, replace missing snaps and fasteners, and do all kinds of curtain and top work.

And Kozy Klosures cost only $38 for touring cars and $27.50 for roadsters, installed.

Soaks Right In And Limbers Up Stiff Joints

Pharmacists Call It "Joint-Ease" Because It's for Swollen, Sore, Painful, Creaky Joints Only.

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the only one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain racked joints as good as new.

They call this new and wonderful preparation "Joint-Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint-Ease" is prepared only for people who have a swollen, painful, creaky, distorted or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuralgia, neuritis, aching muscles, stitch in the side, crick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint-Ease." You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrater and when it gets under the skin, it starts right in to clean up all joint trouble.

All druggists dispense it daily for about 60 cents a tube.

Always remember, when Joint-Ease gets in joint agony gets out—quick. Mail orders filled, cash or C. O. D., Pope Laboratories, Hallowell, Maine.

CHORUS WILL SING CHRISTMAS CAROLS

MINISTERS ALLIANCE, COLLEGE CHORUS PLAN UNION SERVICES.

PROGRAM DECEMBER 14

Chorus Includes Two Hundred Voices Under Direction of Charles Gardner of College Music Department.

The Maryville Ministers' Alliance in cooperation with the musical department of the State Teachers College, under the direction of Charles R. Gardner, will present the Christmas music service at the College auditorium on Sunday night, December 14. The churches of the town will be dismissed for this union service.

Last year the first musical Christmas program was presented by the S. T. C. chorus and was received by a capacity audience, many people being turned away from the program.

The program will include a miscellaneous group of songs and Christmas carols by the College chorus, which will number over two hundred voices. The song selections will be followed by a Christmas prayer with music responses by the chorus.

The main part of the program will be a presentation of the Christmas parts of Handel's oratorio, "The Messiah." The program will include several special Christmas solos and songs by the entire chorus. In connection with the giving of the parts of the oratoria, readings will be given from the scriptures from which the songs are based.

The entire oratorio, "The Messiah" will be presented by the College chorus during music week which will be held during the spring of the year. The College chorus under the direction of Mr. Gardner has already started work in preparing for the oratorio.

Holiday Court Draws a Crowd

Trial Fans Take Lunch to Hough Case Session in Bedford, Ia.

Bedford, Ia., Nov. 28—Interest in the Thanksgiving session of the Carl Hough murder trial was so great here that people brought their turkey dinners to the court room as lunches and ate them in their seats, rather than risk losing a chance to hear the afternoon session.

Hough is on trial for the alleged murder of Miss Lillian McKenney of Herrick, S. D., and afterward throwing her body over a bridge twelve miles west of Bedford last summer.

Doctors Testify.

All witnesses were doctors, and all strangled to death. They were Corostrangeld to death. They were Coroner J .W. Beauchamp of Taylor County; Dr. C. W. McColm of New Market, the first to examine her body; L. T. Reed of Gravity and J. H. Gasson, G. W. Rimel and J. T. Maloy, all of Bedford. All examined the body.

The cross-eyed stranger," said to have stopped at the bridge and looked down at the spot where the body was found may play a part in the case, it was indicated in the examination of Clifton Mick, 14 years old, of New Market. The boy witness was closely questioned regarding a man who is said to have stopped on the bridge and also talked to a Miss Alice Brown, the girl who rode a pony along the road that day. Mick said the man did not look over the bridge rail.

The court drama is attracting wide attention in this territory. People are coming from all surrounding counties and Missouri to listen to the evidence.

BEFORE TWINS WERE BORN

Was Very Miserable. Felt Lots Better After Taking Lydia E. Pinkham's Vegetable Compound

Wyocena, Wisconsin.—"I took Lydia E. Pinkham's Vegetable Compound before my twins were born because my sister used it and recommended it to me. I was so I could scarcely go about my daily work I was in such misery. But after I began taking the second bottle I was feeling lots better. I took three bottles and a half before I was confined and finished the bottle while I was in bed. I got up feeling fine and have taken care of the twins alone ever since. I recommend the Vegetable Compound highly and will sing its praises in the future."—Mrs. IDA GEHRITZ, Wyocena, Wis.

It is remarkable how many cases have been reported similar to this one. Many mothers are left in a weakened and run-down condition after child-birth, and for such mothers the care of the baby is well-nigh impossible. Not only is it hard for the mother, but the child itself will indirectly suffer.

Lydia E. Pinkham's Vegetable Compound is an excellent tonic for the mother both before and after child-birth. It is prepared from medicinal roots and herbs, and does not contain any harmful drugs. It can be taken in safety by nursing mothers.

FAMOUS MAGICIAN COMING TO THE

Empire Monday

E. D. SELVIN

Genius is a word lightly to be used in these days when super-talent is a gift of many, yet what other word could be applied to a rare artist like Mr. Selvin, with eloquence, artistry and dexterity exemplified beyond the power of imagination.

His reputation as a magician of ability was first established by his successful career in prominent theaters of the old world. His very first appearance creates a most favorable impression. There is no doubt but that he is a master of the art.

The performance is decidedly clever, many of the effects are entirely original, in fact, the result of Mr. Selvin's inventive genius. Nothing like it have you ever seen before.

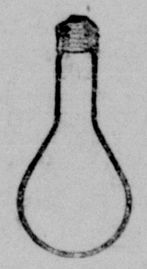
LIGHT- Emblem of Christmas

LIGHT---THE STAR OF BETHLEHEM---beckoned the three wise men over desert sands and rocky hillsides to the manger cradle of the Christ child that winter night 2,000 years ago.

From that time to this, Light has been the symbol of Christmas. The candle in the window, the illumined fir tree, the glowing hearth fire—these rise in our fancy when we think of Yuletide. The Christmas spirit fades in gloom but flourishes in Light.



The Type C white Mazda will drive gloom from your home.

Give Christmas cheer a chance to bloom in your home this year. Encourage it with plenty of Light. Fill those empty lamp sockets. We have an economical National Mazda for every need, and we're eager to help brighten your home.

Don't Blame Him He Can't Help It

Don't get "peeved" because your merchant happens to be clear out of Z-bars. It's not his fault. You and the rest of the public have been eating so many that he cannot keep enough on hand.

He will have some more of these delicious bars in a few days. Do you know why this new Z-bar is so *DELICIOUS?* We'll tell you the secret. It is a special combination of rich malted milk, luscious nougat, fresh roasted almonds and choice milk chocolate. Then it is made in Chas new super-clean factory where the entire inside is white

enameled, where gravity moves the candy to avoid the touch of hands, where even the air in the chocolate room is washed and purified every ten minutes. It is so *DELICIOUS* and so *DIFFERENT.* "Taste and See Why"

NEW LAMP BURNS 94 per cent Air

BEATS ELECTRIC OR GAS.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up; is simple, clean, safe. Burns 94 per cent air, and 6 per cent common kerosene (coal oil).

The inventor, H. A. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.—Adv.

He reports the contract as going over in good shape in the communities visited, and says other communities are getting interested and are asking for canvassers to be sent to them. Mr. Bosch also says that the "Hen Party" being put on by the M. F. A., is worth your investigation.

Ask your local Exchange manager as to the plan and program of this party.

John Hood visited high school Wednesday afternoon.

Blanch Adell Hinton visited high school and the grammar room Wednesday.

On Wednesday of last week the Senior Class enjoyed a visit to the "Lost Cabin" in Clearmont. Everyone enjoyed it very much and learned a great deal from observation. Some very interesting papers were written giving an account of the trip.

Those who went were: Grace Ulmer, Veva Anthony, Cleobell Florea, Pauline Loch, Roy Harrington, Virgil Zook, Eugene Smail, Raymond Lett, Romaine Garten, Lorace Gray, Paul Burks, Harold Harvey and Miss Kemper.

Christian Church.

The revival meetings closed with a reception at the church last Monday night for new members. There were eleven additions to the church during these services. We believe also, that some other lasting good was accomplished which cannot be measured in a visible way.

The union Thanksgiving service on Wednesday night was not well attended on account of the threatening weather. Brother Croy brought a real Thanksgiving message.

Last Sunday there were 175 present in Bible School with ninety-one per cent remaining for church. Is it not possible to keep the attendance up to that point? We believe we can if all will co-operate earnestly to that end. Let's make the coming winter services the best ever.

Six men from Pickering attended the brotherhood banquet in the Skidmore church, Tuesday night. This is the pastor's old home church, and it seemed good to get back, even for a short time.

The next banquet will be in Hopkins, Dec. 9, and will be for women as well as men. Keep it in mind.

All out next Sunday morning and night.

VISITORS GET FREE MEALS.

Two Maryville visitors received a free Thanksgiving dinner yesterday and with prospects for a square meal 3 times a day for the next thirty days. Homer Welch and Charles Ginters were arrested yesterday by Barney Dougan, chief of police, and were brought before police court this morning. Mayor W. O. Garrett sentenced them to thirty days in the city jail on the charges of vagrancy. The two were loafing in the Wabash depot early yesterday morning and advanced passengers with the plea of, "Mister, won't you give a fellow something so he can buy a sandwich and cup of coffee for his Thanksgiving dinner?"

Evidently the kind heart of the city was touched by this plea.

Mr. and Mrs. E. R. Miller and sons spent Thanksgiving with Mrs. Miller's mother, Mrs. G. W. Chapman, at Farragut, Ia. They were accompanied home by Mrs. Chapman and by Mrs. John Chapman of Upton, Wyo., for a short visit.

New Way to Stop Night Coughing

Those who have suffered the tortures of sleeplessness due to continual coughing at night, and who as a result often feel utterly worn-out and useless during the day, need no longer permit their systems to be weakened and their vitality sapped by this distressing ailment. For through a very simple treatment the trouble can be stopped almost at once, and people often get their full night's rest undisturbed after the very first trial.

Here is the method: Simply get a bottle of the prescription known as Dr. King's New Discovery from any good drug store. Then to-night before retiring take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. This prescription has a double action. It not only soothes and heals the soreness and irritation, but it quickly loosens and removes the phlegm and congestion which is the real cause of the cough. So your throat is left wonderfully soothed and cleared of irritating gatherings, you can sleep soundly and restfully, and the cough is usually gone in a very short time.

Dr. King's New Discovery is a remarkable remedy for coughs, chest colds, hoarseness, sore throat, spasmodic croup, bronchitis, laryngitis and bronchial asthma. At all good druggists. Ask for

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseless Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

BEARCATS AND BULLDOGS TIED

WARRENSBURG AND KIRKSVILLE PLAY A TIE GAME.

A PERCENTAGE OF .750

Coach Jones Says Ruling in Conference Counts Tied Game as Half Won and Half Lost.

As the result of Warrensburg and Kirksville playing a tie game yesterday the Northwest Missouri State Teachers College of Maryvilleis in a deadlock with Kirksville for leadership in the M. I. A. A. Conference.

Paul Jones, line coach at the College, said this afternoon, that there is a special ruling in the Teachers College Conference, stipulating that a tie game counts as a half lost and half won. Thus Maryville and Kirksville have both won three and lost one game in the Conference this season. Kirksville has won two, tied two and lost none, while the Bearcats have won three and lost one game. This gives both teams a percentage of .750.

Warrensburg, Mo., Nov. 28.—The Northeast Teachers of Kirksville and the Central Teachers of Warrensburg played a 7 to 7 tie game here yesterday, the last M. I. A. A. Conference game of the season.

The Mules of Warrensburg gained an advantage in the second quarter when Latimer sent three successful aerial throws over the Bulldog line. Whitman then carried the ball for touchdown.

Kirksville did not even matters until five minutes before the close of the game. Ransom, half, went around left end for repeated gains and finally crossed the goal line. Streeter kicked goal.

Defeats Guilford in Final Round by 26 to 15 Score—Rosendale Loses to Pickering.

The Pickering high school quintet won the sixth annual invitation Thanksgiving tournament held by the Rosendale high school by virtue of defeating Guilford in the final round by a 26 to 15 score.

The Pickering team centered around Captain Burks and McKee, with Hood high point man for the Pickering team. Hood looped the ball through the meshes for seven field goals. Curnutt, the Guilford guard and captain of the Nodaway County mythical All-Stars, was the outstanding player on the Guilford cagers.

Rosendale and Pickering furnished the classic battle of the tournament by battling for three quarters with only a one point margin for the Pickering team. In the final quarter the Pickering quintet took the lead and piled up a large score.

Innocent looking rubbish in a cellar is the cause of many a bad fire.

How natural to throw scraps of paper into that old box! One seldom thinks of fire dangers, or metal waste barrels, until it is too late. There is the house in flames. Perhaps a total loss—unless the investment is fully protected by fire insurance.

There is no better protection against fire loss than the sound indemnity of a carefully drawn insurance policy. That is why this agency represents the Citizen's Insurance Company.

Just as he stepped up on the curbing he sank to the ground and before he could be carried into the store he was dead.

James Arnett, a painter, was driving west on Fourth street and saw Mr. Robey fall to the walk. He immediately stopped his car and summoned aid to carry Mr. Robey into the store. Dr. J. H. Todd and Dr. H. S. Rowlett were called but before they arrived Mr. Robey was dead.

In 1895 Mr. Robey bought out Mr. Walts and conducted the business until 1910. In 1896 Mr. Robey's livery station was destroyed by fire and many horses and buggies were destroyed. He became established again in the livery stable business, continuing that business until he leased his barn for a garage in 1910.

Mr. Robey is survived by his widow and six children. Otho L., the oldest, is station agent at the Wabash station; Donald Robey is a teacher in the Roosevelt High School, Los Angeles, Cal., and will be unable to attend the funeral; Paul, Russell, LaVerne and Arthur S., Jr., the other sons are living at home. MRS. S. PITTS IS ACCIDENTLY SHOT

REVOLVER BULLET ENTERS CHEST, PIERCES LUNG.

CHANCES FOR RECOVERY

Are Excellent—Son, Horace, Accidently Fires Shot That Almost Caused His Mother's Death.

Mrs. Samuel Pitts, 53 years of age, who lives a mile and a half east of Burlington Junction, is recovering from the effects of a gunshot which entered her chest, pierced her right lung and tore through her shoulder blade. The physicians say this afternoon that she has excellent chances for a full recovery. Mrs. Pitts is now in the St. Francis Hospital.

A son, Horace ("Jack") Pitts, is hardly able to control himself, as a result of the unfortunate affair, as he accidently shot his mother about 10 o'clock yesterday morning while he was oiling a .45 caliber revolver.

Yesterday morning the Pitts family was gathered in the living room of the house where Mr. and Mrs. Samuel Pitts farm, on the Kenneth Fordyce place, east of Burlington Junction.

Mr. and Mrs. Samuel Pitts, their son Horace and his wife and their grandson, Lonnie, were waiting for some relatives to arrive.

Horace, known as Jack, who is 21 years of age, was cleaning his revolver and in a manner which he cannot explain himself, or unknown to his father of anyone in the room, accidently fired the shot that struck his mother.

As soon as the full extent of what has taken place was realized, medical aid was obtained from Burlington Junction and later Mrs. Pitts was brought to the St. Francis Hospital in an ambulance.

Mrs. Pitts lost considerable blood from the wound but is strong enough to stand the shock and is now resting easily at the hospital.

MISSION TO BE HELD ST. MARY'S CHURCH

WILL BE OPENED SUNDAY BY THE REV. PETER CRUMBLY.

SERVICES FOR ONE WEEK

Father Crumbly Was Chaplain in the State Penitentiary at Joliet—With U. S. Army.

On next Sunday, November 30, during the celebration of High Mass at 9:30 a. m., a mission will be opened in St. Mary's Church by the Rev. Peter Crumbly, a member of the renowned Franciscan Order.

The exercises will continue throughout the week and come to a solemn close on Sunday night, December 7.

The time of the services will be announced at the opening exercise on next Sunday morning, and at different times during the week by the Rev. Missionary himself.

Father Peter Crumbly is a priest of vast experience, having held for a number of years the position of chaplain in the state penitentiary at Joliet. Later he was assigned to a similar position with the United States army, and since his return from that service he has been devoting his time exclusively to conducting missions. The people of St. Mary's are therefore very fortunate in having obtained the services of Father Crumbly for their mission.

While missions of this kind are conducted principally for the benefit of Catholics, many who do not belong to that religious conviction frequently attend such exercises and derive much benefit from them.

A WARNING TO NATIVES

Three Doctors Killed In Attack On Hospital in Uprising Agitated By Egyptian Officers.

Cairo, Nov. 28.—All the air and land forces of the British army in Egypt today began a demonstration in force throughout the country as a sequel to the mutiny of two platoons of Sudanese troops which was put down by British guns.

Plainly the exhibition of armed troops and airplanes was a warning to the natives to undertake no more such uprisings in protest of British policies resulting from the murder of Sir Lee Stack, head of the Egyptian army and Governor-General of the Sudan.

The mutineers wrecked the hospital at Khartoum, killing three doctors, one British, but suffered heavy casualties from the British guns.

Diseases traced to constipation are many —get permanent relief with Kellogg's Bran

Why does constipation breed other diseases? Because it floods your system with dangerous poisons. And the longer you suffer, the more poisons accumulate. That is why constipation should be relieved at once.

Doctors recommend Kellogg's Bran, cooked and krumbled. They know it brings results because it is ALL bran. And only ALL bran can be 100 per cent effective in relieving constipation.

ALL bran — Kellogg's — sweeps, cleans and purifies the intestine. It acts as nature acts. It makes the intestine function naturally and regularly. If eaten regularly, it will bring permanent relief in the most chronic cases of constipation—is guaranteed to do so or your grocer returns your money.

Eat at least two tablespoonfuls daily—in chronic cases, with every meal. You will like the wonderful Kellogg flavor—so crisp and nut-like —so different from ordinary brans, which are most unpalatable.

Eat Kellogg's Bran, cooked and krumbled, with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. And by all means try it in the recipes given on every package.

Kellogg's Bran, cooked and krumbled, made in Battle Creek, is served in individual packages by the leading hotels and restaurants. Sold by all grocers.

Soaks Right In And Limbers Up Stiff Joints

Pharmacists Call It "Joint-Ease" Because It's for Swollen, Sore, Painful, Creaky Joints Only.

It took a good many years to get together a combination of pain subduing and swelling reducing agents declared to be the only one remedy that almost instantly penetrates through skin and flesh and starts right in to make swollen, inflamed, creaky, pain racked joints as good as new.

They call this new and wonderful preparation "Joint-Ease" because the medical man who turned the trick, worked for years to perfect some low-priced remedy that would really benefit the millions of people who have one or more joints that need helpful attention.

So "Joint-Ease" is prepared only for people who have a swollen, painful, creaky, distorted or stiff joint, whether it be in knee, elbow, shoulder, ankle, neck or finger and whether it is caused by rheumatism or something else.

Of course, it can't help but quickly put an end to such superficial ailments as lumbago, neuralgia, neuritis, aching muscles, stitch in the side, crick in the neck or sore feet because of its penetrating action, but what it is really recommended for is joint ailments of any nature whatever.

Ask for a tube of "Joint-Ease." You can use it several times in one evening for quick results, because it goes right through the skin with only a few seconds rubbing. It surely is a swift penetrator and when it gets under the skin, it starts right in to clean up all joint trouble.

All druggists dispense it daily for about 60 cents a tube.

Always remember, when Joint-Ease gets in joint agony gets out—quick. Mail orders filled, cash or C. O. D., Pope Laboratories, Hallowell, Maine.

CHORUS WILL SING CHRISTMAS CAROLS

MINISTERS ALLIANCE, COLLEGE CHORUS PLAN UNION SERVICES.

PROGRAM DECEMBER 14

Chorus Includes Two Hundred Voices Under Direction of Charles Gardner of College Music Department.

The Maryville Ministers' Alliance in cooperation with the musical department of the State Teachers College, under the direction of Charles R. Gardner, will present the Christmas music service at the College auditorium on Sunday night, December 14. The churches of the town will be dismissed for this union service.

Last year the first musical Christmas program was presented by the S. T. C. chorus and was received by a capacity audience, many people being turned away from the program.

The program will include a miscellaneous group of songs and Christmas carols by the College chorus, which will number over two hundred voices. The song selections will be followed by a Christmas prayer with music responses by the chorus.

The main part of the program will be a presentation of the Christmas parts of Handel's oratorio, "The Messiah." The program will include several special Christmas solos and songs by the entire chorus. In connection with the giving of the parts of the oratoria, readings will be given from the scriptures from which the songs are based.

The entire oratorio, "The Messiah" will be presented by the College chorus during music week which will be held during the spring of the year. The College chorus under the direction of Mr. Gardner has already started work in preparing for the oratorio.

Holiday Court Draws a Crowd

Trial Fans Take Lunch to Hough Case Session in Bedford, Ia.

Bedford, Ia., Nov. 28—Interest in the Thanksgiving session of the Carl Hough murder trial was so great here that people brought their turkey dinners to the court room as lunches and ate them in their seats, rather than risk losing a chance to hear the afternoon session.

Hough is on trial for the alleged murder of Miss Lillian McKenney of Herrick, S. D., and afterward throwing her body over a bridge twelve miles west of Bedford last summer.

Doctors Testify.

All witnesses were doctors, and all strangled to death. They were Coro- strangeld to death. They were Coroner J .W. Beauchamp of Taylor County; Dr. C. W. McColm of New Market, the first to examine her body; L. T. Reed of Gravity and J. H. Gasson, G. W. Rimel and J. T. Maloy, all of Bedford. All examined the body.

The cross-eyed stranger," said to have stopped at the bridge and looked down at the spot where the body was found may play a part in the case, it was indicated in the examination of Clifton Mick, 14 years old, of New Market. The boy witness was closely questioned regarding a man who is said to have stopped on the bridge and also talked to a Miss Alice Brown, the girl who rode a pony along the road that day. Mick said the man did not look over the bridge rail.

The court drama is attracting wide attention in this territory. People are coming from all surrounding counties and Missouri to listen to the evidence. Seats are scarce and a mob always surges forward when anyone leaves the room, in hope of getting inside.

Mother Collapses.

Mrs. Elmer McKenney, mother of the dead girl, was unable to attend the trial yesterday. She suffered a nervous collapse when the details of the girl's death were told. The father broke down during the testimony of Sheriff W. M. Parrish as the officer identified the girl's clothing.

When F. L. Wetmore, an undertaker, testified that he had burned the girl's underclothing on direction of an officer, defense attorneys stressed the point and confused the witness so that he could not tell the name of the officer.

Sunday School Convention at Barnard

Mrs. C. P. Fryer and B. E. Truesdell of Maryville are on the Program.

FAMOUS MAGICIAN COMING TO THE

Empire

Monday

E. D. SELVIN

Genius is a word lightly to be used in these days when super-talent is a gift of many, yet what other word could be applied to a rare artist like Mr. Selvin, with eloquence, artistry and dexterity exemplified beyond the power of imagination.

His reputation as a magician of ability was first established by his successful career in prominent theaters of the old world. His very first appearance creates a most favorable impression. There is no doubt but that he is a master of the art.

The performance is decidedly clever, many of the effects are entirely original, in fact, the result of Mr. Selvin's inventive genius. Nothing like it have you ever seen before.

BEFORE TWINS WERE BORN

Was Very Miserable. Felt Lots Better After Taking Lydia E. Pinkham's Vegetable Compound

Wyocena, Wisconsin.—"I took Lydia E. Pinkham's Vegetable Compound before my twins were born because my sister used it and recommended it to me. I was so I could scarcely go about my daily work I was in such misery. But after I began taking the second bottle I was feeling lots better. I took three bottles and a half before I was confined and finished the bottle while I was in bed. I got up feeling fine and have taken care of the twins alone ever since. I recommend the Vegetable Compound highly and will sing its praises in the future."—Mrs. IDA GEMBITZ, Wyocena, Wis.

It is remarkable how many cases have been reported similar to this one. Many mothers are left in a weakened and run-down condition after child-birth, and for such mothers the care of the baby is well-nigh impossible. Not only is it hard for the mother, but the child itself will indirectly suffer.

Lydia E. Pinkham's Vegetable Compound is an excellent tonic for the mother both before and after child-birth. It is prepared from medicinal roots and herbs, and does not contain any harmful drugs. It can be taken in safety by nursing mothers.

LIGHT—

Emblem of

Christmas

LIGHT—THE STAR OF BETHLEHEM—beckoned the three wise men over desert sands and rocky hillsides to the manger cradle of the Christ child that winter night 2,000 years ago.

From that time to this, Light has been the symbol of Christmas. The candle in the window, the illumined fir tree, the glowing hearth fire—these rise in our fancy when we think of Yuletide. The Christmas spirit fades in gloom but flourishes in Light.

The Type C white Mazda will drive gloom from your home.

Give Christmas cheer a chance to bloom in your home this year. Encourage it with plenty of Light. Fill those empty lamp sockets. We have an economical National Mazda for every need, and we're eager to help brighten your home.

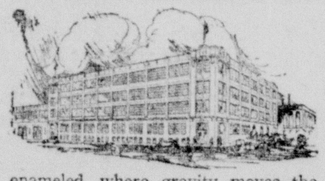
Don't Blame Him He Can't Help It

Don't get "peeved" because your merchant happens to be clear out of Z-bars. It's not his fault. You and the rest of the public have been eating so many that he cannot keep enough on hand.

He will have some more of these delicious bars in a few days. Do you know why this new Z-bar is so *DELICIOUS?* We'll tell you the secret. It is a special combination of rich malted milk, luscious nougat, fresh roasted almonds and choice milk chocolate. Then it is made in Chase's new super-clean factory where the entire inside is white



enameled, where gravity moves the candy to avoid the touch of hands, where even the air in the chocolate room is washed and purified every ten minutes. It is so *DELICIOUS* and so *DIFFERENT.* "Taste and See Why"

NEW LAMP BURNS 94 per cent Air

BEATS ELECTRIC OR GAS.

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up; is simple, clean, safe. Burns 94 per cent air, and 6 per cent common kerosene (coal oil).

The inventor, H. A. Johnson, 609 W. Lake St., Chicago, Ill., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.—Adv.

He reports the contract as going over in good shape in the communities visited, and says other communities are getting interested and are asking for canvassers to be sent to them. Mr. Bosch also says that the "Hen Party" being put on by the M. F. A., is worth your investigation.

Ask your local Exchange manager as to the plan and program of this party.

Pickering School

John Hood visited high school Wednesday afternoon.

Blanch Adell Hinton visited high school and the grammar room Wednesday.

On Wednesday of last week the Senior Class enjoyed a visit to the "Lost Cabin" in Clearmont. Everyone enjoyed it very much and learned a great deal from observation. Some very interesting papers were written giving an account of the trip.

Those who went were: Grace Ulmer, Veva Anthony, Cleobell Florea, Pauline Loch, Roy Harrington, Virgil Zook, Eugene Small, Raymond Lett, Romaine Garten, Lorace Gray, Paul Burks, Harold Harvey and Miss Kemper.

Christian Church.

The revival meetings closed with a reception at the church last Monday night for new members. There were eleven additions to the church during these services. We believe also, that some other lasting good was accomplished which cannot be measured in a visible way.

The union Thanksgiving service on Wednesday night was not well attended on account of the threatening weather. Brother Croy brought a real Thanksgiving message.

Last Sunday there were 175 present in Bible School with ninety-one per cent remaining for church. Is it not possible to keep the attendance up to that point? We believe we can if all will co-operate earnestly to that end. Let's make the coming winter services the best ever.

Six men from Pickering attended the brotherhood banquet in the Skidmore church, Tuesday night. This is the pastor's old home church, and it seemed good to get back, even for a short time.

The next banquet will be in Hopkins, Dec. 9, and will be for women as well as men. Keep it in mind.

All out next Sunday morning and night.

VISITORS GET FREE MEALS.

Two Maryville visitors received a free Thanksgiving dinner yesterday and with prospects for a square meal 3 times a day for the next thirty days. Homer Welch and Charles Ginters were arrested yesterday by Barney Dougan, chief of police, and were brought before police court this morning. Mayor W. O. Garrett sentenced them to thirty days in the city jail on the charges of vagrancy. The two were loafing in the Wabash depot early yesterday morning and advanced passengers with the plea of, "Mister, won't you give a fellow something so he can buy a sandwich and cup of coffee for his Thanksgiving dinner?"

Evidently the kind heart of the city was touched by this plea.

Mr. and Mrs. E. R. Miller and sons spent Thanksgiving with Mrs. Miller's mother, Mrs. G. W. Chapman, at Farragut, Ia. They were accompanied home by Mrs. Chapman and by Mrs. John Chapman of Upton, Wyo., for a short visit.

Mrs. Catherine Miller will return tonight from Kansas City, where she went Wednesday morning to spend Thanksgiving with her son, Arthur Miller.

Misses Frances and Ruth Miller of Lexington are spending the Thanksgiving holidays with their sister, Mrs. A. R. Martin, and family.

R. L. Denning, principal of the Lafayette High School of St. Joseph, arrived in Maryville today for a weekend visit with his sister, Mrs. Eldon Lloyd, and family.

New Way to Stop Night Coughing

Those who have suffered the tortures of sleeplessness due to continual coughing at night, and who as a result often feel utterly worn-out and useless during the day, need no longer permit their systems to be weakened and their vitality sapped by this distressing ailment. For through a very simple treatment the trouble can be stopped almost at once, and people often get their full night's rest undisturbed after the very first trial.

Here is the method: Simply get a bottle of the prescription known as Dr. King's New Discovery from any good drug store. Then to-night before retiring take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. This prescription has a double action. It not only soothes and heals the soreness and irritation, but it quickly loosens and removes the phlegm and congestion which is the real cause of the cough. So your throat is left wonderfully soothed and cleared of irritating gatherings, you can sleep soundly and restfully, and the cough is usually gone in a very short time.

Dr. King's New Discovery is a remarkable remedy for coughs, chest colds, hoarseness, sore throat, spasmodic croup, bronchitis, laryngitis and bronchial asthma. At all good druggists. Ask for

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseless Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

Defeats Guilford in Final Round by 26 to 15 Score—Rosendale Loses to Pickering.

The Pickering high school quintet won the sixth annual invitation Thanksgiving tournament held by the Rosendale high school by virtue of defeating Guilford in the final round by a 26 to 15 score.

The Pickering team centered around Captain Burks and McKee, with Hood high point man for the Pickering team. Hood looped the ball through the meshes for seven field goals. Curnutt, the Guilford guard and captain of the Nodaway County mythical All-Stars, was the outstanding player on the Guilford cagers.

Innocent looking rubbish in a cellar is the cause of many a bad fire.

How natural to throw scraps of paper into that old box! One seldom thinks of fire dangers, or metal waste barrels, until it is too late. There is the house in flames. Perhaps a total loss—unless the investment is fully protected by fire insurance.

There is no better protection against fire loss than the sound indemnity of a carefully drawn insurance policy. That is why this agency represents the Citizen's Insurance Company.
